

RESUME

MUBARK KHAN

Jaipur, Rajasthan | 7737621418 | mubarik00237@gmail.com

SUMMARY

Highly motivated **Full-Stack Developer** with **8+ months of professional experience** in building **flight and hotel booking platforms**. Skilled in **React.js, Node.js, Redux, and MySQL**, with expertise in developing **B2C, B2B, and admin panel applications**. Passionate about creating scalable and high-performance web applications, integrating APIs, and optimizing UI/UX.

TECH STACK

- **Frontend:** React.js, Next.js, Redux, HTML, CSS, JavaScript, CSS
 - **Backend:** Node.js, Express.js
 - **Database:** MySQL, MongoDB
 - **Others:** JWT Authentication, API Integration, Responsive Web Design
-

EXPERIENCE

Full-Stack Developer | teamindiawebdesign.com (Oct 2024 – Present)

- Developed and deployed a **fully functional flight booking platform**, handling **B2C, B2B, and Admin Panel** using **React.js and Node.js**.
- Designed and implemented a **secure authentication system** using JWT and role-based access control for different user types.
- Integrated third-party **flight and hotel APIs**, ensuring seamless booking and data synchronization.
- Optimized **server-side and client-side performance**, reducing load times by **40%**.
- Managed the complete development cycle independently, from **database design (MySQL)** to frontend UI/UX improvements.

Frontend Developer (Intern) | teamindiawebdesign.com (Apr 2024 – Sep 2024)

- Assisted in developing a **React.js-based booking website**, focusing on reusable component architecture.
- Enhanced website responsiveness and cross-browser compatibility.
- Worked on API integration, improving data fetch efficiency by **20%**.

Web Designer (Intern) | Technoglobe IT Solutions (Jan 2024 – Mar 2024)

- Designed and developed **responsive websites** using HTML, CSS, and JavaScript.
- Ensured **accessibility standards** and cross-browser compatibility for enhanced UX.

PROJECTS

Flight & Hotel Booking Website (B2C, B2B & Admin Panel)

- Designed and developed a **full-stack flight and hotel booking platform** using **React.js and Node.js**.
- Built a **B2C and B2B user dashboard** with role-based authentication and real-time booking features.
- Developed an **Admin Panel** to manage bookings, users, and financial transactions.
- Implemented **API-based search and booking functionality**, ensuring real-time price updates.
- Used **MySQL for efficient database management**, optimizing query performance.

Portfolio Website

- Built a **personal portfolio** showcasing skills and projects.
- Implemented animations and transitions for a modern UI experience.

EDUCATION

Maharaja Ganga Singh University, Bikaner (2021 - 2024)
Bachelor of Science (Mathematics)

Government Taal School (2018 - 2020)
Secondary School

CERTIFICATIONS & TRAINING

- **Frontend Development Course | Technoglobe IT Solutions** (2023 - 2024)

LANGUAGES

- **English** (Professional Working Proficiency)
- **Hindi** (Native)
